## SERVICE AND REFURBISHING

**B.i.express** craftsmen are adept at maintaining and enhancing the original beauty and design integrity of your workspace.

- **Cleaning Services:** Include panels, upholstered seating and carpet.
- **Lock Repair and Key Replacement:** Same day service is available.
- **On-Site Touch-Up:** Repair of scratches or nicks in both wood and metal surfaces.
- **Wood Furniture Refinishing:** Our craftsmen can completely refinish any type of furniture, from traditional to contemporary.
- **Modular System Refurbishing:** Includes upholstery of panels, modification of work surfaces and panels, lamination and system parts.
- **Painting:** Conventional painting of offices, as well as electrostatic painting of metal furniture can be performed on-site. Custom color matching is available.
- **Custom Services:** Includes furniture fabrication, glass applications, specialty mill work and cabinetry.
- **Upholstery:** All types of seating from desk chairs to lounge seating, as well as panels.
- **Appearance Maintenance Programs:** Scheduled cleaning of panels and upholstered seating followed-up with fabric protectants; carpet cleaning; routine wood furniture touch-ups.
- **Window Treatments:** Custom window treatments and drapery services.
- **Preventative Maintenance Programs:** Whether your furniture was purchased from us or another source, our service team will customize a program to ensure its long lasting and reliable performance.
